

LENDER ESCROWS

As a real estate lender, protection of the collateral for your loans is of utmost importance to you, whether you are making multi million dollar loans on commercial shopping centers or \$20,000 equity line loans to homeowners. We have a variety of products, each designed to respond to a specific need. More than 150 years of experience coupled with the highest insurance reserves in the industry assure you of the greatest level of protection available. Regardless of size, the experienced, dedicated members of our staff will give every transaction the attention it deserves.
